7. The first hospices were opened over a century ago in Dublin (Our Lady's Hospice, 1879) and in the East End of London (St Joseph's Hospice, Hackney, 1905) by Catholic nuns as a charitable and religious mission caring for those dying of tuberculosis and living in poverty. Considerably later, St Christopher's Hospice opened in South London in 1967.

11. Non-voluntary euthanasia is defined as an act conducted where the consent of the patient is unavailable. Involuntary euthanasia is defined as an act conducted against the will of the patient. Passive euthanasia is defined as an act that entails the withholding of treatment.
12. In The Netherlands, the penal code was changed, whereas in Belgium and Luxembourg it was not, and thus in these latter countries euthanasia remains voluntary premeditated homicide, punishable by penal law, and non-punishable solely under the conditions specified by the law.
